Guidelines for TLHS Exam Days

- * Students may arrive on campus prior to a scheduled exam.
- * If students do not have an exam during 1st period, they may arrive before 2nd period for their exam.
- * If students do not have a 2nd period exam, they must be picked up from campus after the completion of that 1st class period OR remain on campus in a study hall during 2nd period until they get picked up after that class time.
- * If any student has a study hall class period, they are to go to that classroom during that scheduled block.
- * Once students arrive on campus they may not leave campus and then return for an exam later. They must remain on campus to take their exams in the morning, or utilize a study hall that is available.
- * Plans must be made prior to exam days to coordinate a ride home each day at 11:20 or immediately following your last exam.
- * Opportunities for service on campus with other teachers or staff members must be pre-arranged if a ride can not be found after morning exams.
